

**STRENGTHENING KIDS & COMMUNITY
THROUGH ANIMAL INTERACTION**

SUMMER CAMP PROGRAM

How can you tell if a horse is happy? Why does a pig roll in the mud? How far can a rabbit hop? Answer these questions and many more through hands-on educational activities at TRAK. We plan to offer many positive and rewarding experiences through animal education and interaction, pony rides, water play, crafts and games. Campers will interact with our animal family and participate in various activities like making goat milk ice cream, dyeing sheep wool, making egg shell mosaics and much more. Camp is available for children ages 5 – 12.
