

# Fall 2015 Internship with **Therapeutic Ranch for Animals and Kids (TRAK)**

TRAK is a non-profit organization focused on strengthening kids & the Tucson Community through animal interaction

## Internship Opportunities:

### Marketing

Help write a Marketing Plan for TRAK. Market & Advertise our services, programs & events in the community, Assist with website design and updates, and contribute to various projects to promote our mission. Design, write and produce flyers, newsletters, and brochures.

### Development & Fundraising

Will research, compile and assist with implementing demographic information and potential donor sources. Assist in fundraising events and soliciting donations. Participate in grant research and writing.

## Additional Opportunities:

### Animal Friends

Travel to schools educating children on a variety of information about our animal family.

### Community Service Visits & Field Trips

Bring animals into the community to visit with those who could benefit from animal interaction. Facilitate ranch tours for school groups and special needs groups
