

Fall 2015 Internship with Therapeutic Ranch for Animals and Kids (TRAK)

TRAK is a non-profit organization focused on strengthening kids & the Tucson Community through animal interaction

Internship Opportunities:

Animal Friends

Travel to schools educating children on a variety of information about our animal family.

Community Service Visits

Bring animals into the community to visit with those who cannot come to us. The elderly, the sick, the homeless, youth in hospitals, etc.

Field Trips

Facilitate ranch tours for Special need groups, playgroups, school groups and other visitors. Help them enjoy TRAK's animals.

Additional Opportunities:

Fundraising

Assist in fundraising events and soliciting donations. Participate in grant writing. Assist with making flyers, newsletters, and brochures.

Ground Maintenance/Animal Care

Help ranch hands with everyday responsibilities including property maintenance and animal care.

If you are interested in starting an internship
