

Fall Internship with **Therapeutic Ranch for Animals and Kids (TRAK)**

TRAK is a non-profit organization focused on strengthening kids & the Tucson Community through animal interaction

Internship Opportunities:

Animal Care

Learn how to care for our many animals, by breed, by special need, etc. Learn how to give Animal First Aid to our 100 plus animals. Learn from and work with the Vet.

Our Animals

Get to know our animals. Learn how each of them has a distinct personality and how best to work with them. Learn from them, too!

Ground Maintenance/Animal Care

Help ranch hands with everyday responsibilities including property maintenance and animal care.

Community Service Visits

Bring animals into the community to visit with those who could benefit from animal interaction.

Animal Friends

Travel to schools educating children on a variety of information about our animal family.

If you are interested in starting an internship
